## GREETINGS FROM YOUR PRESIDENT

**Disclaimer:** Everything in this newsletter, after this first paragraph, was written before COVID-19 entered and turned everyone's world upside down. While the many closures, cancellations, and postponements have been necessary to protect the American people we have opted, AT THIS POINT, to forge ahead with our plans for the 100 Year Celebration on June 6<sup>th</sup> and 7<sup>th</sup>. That said, I know everyone realizes that this is a very fluid and fast-moving time to making decisions in and we may feel the need to postpone our event weekend. I can almost guarantee you that in the three weeks it takes to get this newsletter printed and to your mailbox, some things will have changed. We will do our best to notify everyone as soon as we can. Your alumni board has decided that a firm decision to cancel or continue with plans must be made no later than May 6<sup>th</sup>, one month before the event so please be on the lookout for information by then. Please don't wait to register for any events, especially the Banquet on Sunday night. Waiting to reserve your spot just means that if we decide we are definitely able to go on with it, your alumni board will be scrambling with all the last-minute reservations. If you do reserve your meal for the banquet and we find the need to cancel, we will refund your money. Please contact me with any questions or concerns you might have. You can e-mail me at [homefreys@sbcglobal.net](mailto:homefreys@sbcglobal.net) or send us a private message on the Seaman High School Alumni Association Facebook page and I will respond to you as quickly as possible. I know not all of you follow us on Facebook but that is where the notifications will be able to be updated the quickest and the event page for the 100 Year Celebration will be updated in real time.

No time for pleasantries in this newsletter, fellow alumni! We've got lots of news for you so let's get right to it.

Your alumni association board is in the midst of planning the greatest 100 Year Celebration that Seaman has ever seen.....no pressure on us since it's the first of these celebrations! But we aim to make it enough fun and involve enough alumni that the alumni board in the year 2120 have their work cut out for them.

## **SEAMAN ALUMNI NEWS SPRING 2020**

Mark your calendars for the weekend of June 6<sup>th</sup> and 7<sup>th</sup> and come join us and all your fellow alumni in celebrating the first 100 years of Seaman High School. There will be plenty of things to do and see, here's a list of what we have planned so far.

### **Saturday, June 6<sup>th</sup>**

6:00am – 11:00 am – Soldier Township Fire Department Pancake Feed

8:30am – 5K race, registration is required and you can find the registration form on page 13 of this newsletter.

9:00am – Kansas Klassic Volleyball Tournament, there is a cost to attend and we won't know what time our girls are playing until closer to the event.

9:30am – Half Mile Fun Run/Walk, registration is required and you can find the registration form on page 13 of this newsletter.

11:00am – 7:00pm – Food Trucks available in the front drive of the school. Just a couple of the trucks we have lined up so far happen to be 4 Guys Catering and Blue Smoke BBQ, both owned by Seaman graduates.

11:00am – 7:00pm – Booths set up from different clubs, organizations, and schools in the district. This will be a great time to check out some of the fun things that have been happening in our community. Come check them all out!

2:00pm – 4:00pm – Interact Car Show, if you'd like to register to show your car contact me and I'll make sure you get a reservation form. Otherwise, just come and enjoy all the cool cars and check out which ones win the awards.

7:00pm – 10:00pm – Stay for some live music! Can't divulge who will be playing yet, but rest assured we've got some musical talent in our alumni pool and we can't wait to see them perform! We've got some other tricks up our sleeves too and you'll just have to attend to see what they all are! I can let you know that at some point during the day the Say Cheez Photo Booth will be set up and taking pics of you and all your classmates. Mark and Autumn Johannes ('87 and '93 alums) have graciously donated their time and talent that day so you can have souvenir pictures. We'll have T-shirts with a design that commemorates our first 100 years for sale and the proceeds from those will go to beef up our endowment fund to award scholarships for students in the next 100 graduating classes. Also expect some special giveaways, silent auction items, and fun games all day long.

### **Sunday, June 7<sup>th</sup>**

4:00pm – 6:00pm – Social hour in the commons area

6:00pm – 9:00pm – Annual Alumni Banquet! We've got yet another of our former classmates catering dinner for us that evening and we're looking forward to the great menu that John Jackson (Class of '81) has put together. The Throne Catering company is his name and good food is his game. Reservations required and you can find the reservation form on page 15.

But mostly, come enjoy some time with your former classmates, friends, and family. Let's celebrate the first 100 Years of Seaman and prepare for the next 100! Can't wait to see everyone there!

Go Vikes,

Paula Kelly-Frey  
Class of '88

### Seaman Historical Museum

The Seaman Historical Society: Museum and Archives is pleased to announce that we were awarded a \$21,189 grant from Information Network Kansas (INK). This student written grant will allow the newly created Museum Studies class to begin digitizing documents and artifacts of the museum. These materials, once digitized, will be housed on a web portal similar to the Kansas State Historical Society, Kansas Memory webpage.

While we remodel and create an online presence for the museum, we need your help with the physical space of the museum. We are bursting at the seams and need to purchase museum quality storage and display materials to bring your museum up to national standards.

If you are interested in sponsoring or donating to this effort please contact Nathan McAlister at Seaman High School, 785-286-8300 or [email:nmcalister@usd345.com](mailto:nmcalister@usd345.com).

### *Messages from Alumni*

**1958 – Ralph M. Easum** - bud to Fred Gilliland. Graduated from Washburn U. in 1958 and started a half-century career as a Navy Civil Servant in a host of different occupations (missile flight analysis; missile test, calibration, metrology, and repair; telemetry station management; aircrew monitoring and evaluation (all for Navy and Marine Corps); then after Civil Service retirement, continued to perform support for the Navy and Marine Corps via contractor support, finally retiring in January 2018.

I've appreciated getting the Seaman Alum Newsletters all these years...keep on sending them. Thanks again!

**1958 – Morris E. Jenkins** – We appreciate all the hard work everyone does for the Alumni Association. I enjoy your newsletter. We still live in Wyoming but are back in Kansas several times a year. Our son and his wife live in Overland Park, KS and blessed us with twin grandsons so the Jenkins name will be carried on to another generation. Look forward to seeing everyone next June.

### *Fall into Fitness* *100 Year Celebration* 5K

Dear Prospective Sponsor,

As many of you may know, Seaman High School will be celebrating the 100<sup>th</sup> graduating class in May of this year. The Seaman High School Alumni Association in conjunction with the school district is planning a weekend of events to commemorate this occasion on June 6 and 7<sup>th</sup>, 2020. It is with much excitement that our Tenth annual Seaman USD 345 “Fall into Fitness” 5K walk/run event will be held in conjunction with the Alumni 100<sup>th</sup> Year Celebration. This year’s “Fall into Fitness” event will be held on June 6, at Seaman High School, located at 4850 NW Rochester Rd, here in Topeka. Other planned weekend events include a car show, food trucks, games, live music, booths that highlight different groups within the district, promotion of our historical museum, and an all alumni dinner Sunday night to cap it all!

To accomplish our project goals, we are writing to you specifically to ask for a sponsorship of our 5k race. We are counting on support from area alumni businesses and sponsor donations. The purpose of this letter is to invite you to join us and help by sponsoring this tenth annual “Fall into Fitness” 5K 100<sup>th</sup> Year Celebration run. Proceeds from this year’s run/walk will support Phase 2 of constructing a fitness trail on the property surrounding Seaman High School and Alumni Scholarship fund. Which will provide an opportunity for high school students and athletes to train safely and apply for an Alumni Scholarship. Phase 2 will also be a wonderful addition to the North Topeka Community as a place for individuals and families to exercise. We are proud to share that phase 1 of our trail, officially named “The Dr. Carolyn Orozco Fitness Trail”, has been very popular and heavily used. Looking forward to expanding the trail in the future!

Sponsors may choose to participate on several levels. See the attachment of this letter for more information regarding sponsorship levels. We rely on partnerships with respected sponsors to help us communicate the event, to increase exposure, and to provide details surrounding the event. We would need to know of your sponsorship by **April 10<sup>th</sup>** in order to include sponsor names and logo on the event banner, websites, twitter pages, and in the District and Alumni newsletters. We hope you will join other area alumni businesses and sponsors by supporting this very important event and helping us work toward a healthier community!  
Thank you for considering a sponsorship of our 5k race!

Sincerely,  
The Seaman High 5K Committee  
The Alumni Association
