SEAF Golf ONLINE

In accordance with Social Distancing guidelines and/or requirements, individual golf carts will be made available for each player. When registering, you will be required to inform us if you and each player on your team wants a cart to him/herself.

The Seaman Education Advantage Foundation (SEAF) was founded in 2002 with the specific goal of enhancing the educational opportunities for the students of the Seaman School District. Over $35,000.00 in student scholarships and more than $70,000.00 in teacher mini-grants have been awarded by SEAF. The continued funding of these initiatives is made possible by the valued support of businesses and individuals through donations, sponsorships, and/or participation in SEAF’s annual fundraisers.

For more information, please contact us at SEAF Email.
