

SUMMER FOOD SACKS

Topeka North Outreach (TNO) Operation Backpack is a weekend feeding program working to alleviate childhood hunger in Topeka and to encourage children in need. To ensure the nutritional needs of children are met when school is not in session, the program provides a small sack of food for youth to take home for the weekend. The food sack contains a two-day supply of nutritional, kid-friendly snacks and single-serving size food items that are easy for youth to prepare.

Topeka North Outreach volunteers will distribute **Summer Food Sacks** to eligible children age 1-18, who live in North Topeka and Oakland. There are five summer pick-up sites: Garfield Community Center, Northern Hills Elementary School, Oakland Community Center, Quincy Elementary School, and Chase Middle School

See locations and Friday pick-up dates and times below.
