The Jr. Vike's football camp is an opportunity for students in grades 3-6 to get an opportunity to work with and learn the fundamentals from the Seaman High School football staff and possible future varsity football players.

Each day will be broken down into a dynamic warm-up, agility drills that pertain to football skills and individual drill sessions. Each player will have an opportunity to experience all stations and work at a variety of positions. We will wrap up each day with a group competition such as touch football, razzle dazzle and team contests.

The high school coaches will receive the opportunity to work with our future players and really enjoy the interaction with the young players.

Thank you for your interest,

Sincerely, Coach O'Neil
