Seaman Robotics Camp

Description: Seaman Schools is starting our first summer robotics camp. Students will use Vex IQ robots to engineer and design robots to overcome specific challenges presented to them. Early in the week we will focus on constructing the robots, and later in the week we will explore how to program them.

Ages: This camp is open to students who will be enrolled in 5th through 7th grade in the fall of 2019. There is a maximum of 32 participants.

Dates and Times: June 24th - 28th, 8:00 am - 3:00 pm.

Location: The camp will take place in the library at Seaman Middle School.

Cost: 100 dollars - cash or check - address checks to Rob Jackson

Contact: rjackson@usd345.com
