

Photo/Video Opt-Out Form

Dear Parent/Guardian:

Seaman School District makes a constant effort to promote the positive activities and work of our students and staff members. This includes working with local newspapers, radio and television stations. Your child's image or likeness MAY appear in candid photos/videos with or without name identification in the form of newsletters, social media, TV, website, newspaper articles, etc. If you wish to EXCLUDE your child's photograph or image from district-controlled use, please complete this Photo/Video Opt-Out form and return to your school's office. You must fill out a separate form for each child. Please be aware that opt-out requests must be renewed at the start of each school year.

Note: School and District staff will always seek parent/guardian permission before using a photo identifying a student receiving special education or economic services.
