Basic Philosophy

We allow free usage for groups such as Boy Scouts and Girl Scouts. Each building principal has the authority to establish the dates and times for his/her building.

We have separate contracts for free use of facilities and for rental of facilities. The cost for in-district use is intended to cover bare minimum cost unless damage occurs.

Use of equipment and facilities by outside groups will be determined on an individual basis by signed contract. We generally require an outside group to obtain a \$500,000 liability policy and name the district as a co-insured party.
